Hi Rachel, It has just came to my attention that in the formal letter addressed to me, that conveyed the designation of you as project coordinator, it was addressed to the wrong address. It was sent to the Boise, ID office where Greg has worked. However, I am located in Seattle. I do not need to have this letter corrected. I do have a copy of it. However, I want to make sure that all key people are aware of my correct address, in Seattle, see below ...
